REMARKS

**RETURN TO CIA LIBRARY**

25X1

There was intensive construction work at the airfield west of TAPOLCA, immediately on the railroad line. Workers employed at the field stated that the repair work on the runway and taxiway started in the Spring of 1949 and that a work force of about 2,000 men was employed for this work.

This document is hereby regraded to **CONFIDENTIAL** in accordance with the letter of 10 October 1978 from the Director of Central Intelligence to the Archivist of the United States.
